

EAGLE LAKE SAILING CLUB

All new members join at the associate level. Associate members have all the privileges of full membership except voting rights. Associate members are not required to own a sailboat. New members are strongly encouraged to become acquainted with our club, our members, and our racing program before investing in a boat. If you already own a sailboat, parking privileges require board approval, unless your boat is one of our racing class boats (MC, Laser, Thistle, National One Design, or Snipe).

At the end of two full summer seasons associate members will be sent an application for full membership in January. Approval of the application requires the payment of an entrance fee, the recommendation of three full members and ownership of an approved sailboat. Other criteria the board will consider when evaluating applications to full membership are: your support of and voluntary contributions to the club, and club activities, including our racing program.
